

## GREAT MARATHON RUNNER

**I** SHALL be surprised if Robertson is beaten in the Marathon race.

The man who will interest me most is Harold Wood. A great runner in Lancashire, he will not easily be beaten if he shows his home form. Sammy Dodd may do extra well if he runs with proper judgment.

Kyriakides, the athlete from Cyprus, is another very keen runner for the Marathon. Nobody can extend him at home, so he came to England about three weeks ago to try his strength.
