

LOVELOCK'S RECORD

FAMOUS MILER'S FEAT AT WHITE CITY

NORRIS WINS MARATHON FROM "DUNKIE" WRIGHT

Fine, but blustery conditions prevailed at the White City yesterday when the Polytechnic Harriers held their Kinnaird Trophy meeting during the running of their annual Windsor-London marathon race.

In the mile he went right away from the pistol, and finished in 4min 13 4-5sec to beat R. H. Thomas's 1930 record for the meeting by 5sec.

Sixty-one competitors started on their 26-mile Marathon from Windsor Castle to London.
