"Clarence DeMar is the most famous runner ever known. He is an admirable human being. His story deserves to be told."

"If long-forgotten the Boston Marathon, it should be celebrated and celebrated. It deserves to be remembered."

"Clarence DeMar is the envy of a K... precedes the running coverage of the major... It deserves a... a 1000."

"Clarence DeMar is... of... another era, but... marathoners. Today... about the way it was... way it should be."

BIBLIOTHECA

...run through... and in the top
all-around era, but... will not only enjoy running
on the way it goes, they may even learn a little about the
way it should be.

"Clarence DeMar was the most determined athlete I've ever known. He was a man of high moral principles and admirable habits. Being the record at a runner is his life. His story deserves to be read by anyone interested in running."
Johnnie Miller
Marathoner

"If long-distance literary events, legendary athletes, and the Boston Marathon are a unity that pumps your veins as happily as it does your lungs, then now is a moment to gaze and adore Clarence DeMar's 1933 Boston Marathon singlet."
Colleen McCarthy
The Washington Post

George A. Smith
The Boston Globe
