

LIMASSOL.

CYPRUS.

19.9.31.

I have great pleasure in giving this testimonial to Stelios Kyriakides who has been my house-boy for two years.

He is a very reliable and willing worker, honest, punctilious and trustworthy. He is gifted with a thoughtful mind which is not derived of a ~~common~~ sense of humour and I have no hesitation in recommending him as a tried servant both as a houseboy or as a Government Official.

District Medical Officer.
