Dear Sirs,

I duly received your letter of the 23rd ulto with the different enclosures for which I thank you.

I herewith beg to enclose entry forms duly filed in for my participation in the Marathon race 26 miles 385 yards at the A. A. Championships this summer 1935, together with a certificate issued by the Athletic Club "Olympia" certifying that I am amateur athlete. I think that these Certificates will enable me to take part in the A.A. Championship and enclose herewith Postal Order val. 5/- my entrance fees.

As it is the first time that I am visiting England, I shall be greatly obliged if you will kindly recommend me to a Boarding house charging reasonable prices for avoiding high hotel expenses.

I will also be infinitely obliged if you would kindly arrange that a person of your confidence meets me at the Victoria Station London and assists me to proceed to the boarding house you will recommend me.

I am leaving Cyprus on the 1st June and will use the route Egypt-Marseille-London. In any case I will let you know by wire the exact time of my arrival at the Victoria Station.

Thanking you for your kind assistance & apologizing for the trouble I am causing you,

I remain dear Sirs,

Yours faithfully

Stelios Kyriakides
