W.C.C.King, Esqr.,
Chief Commandant of Police,

Dear Mr. King,

Referring to our recent correspondence on the matter of my participation at the coming Olympic Games proposed to take place in Berlin, I beg to enclose herewith the letters exchanged between me and the A.A.A. London in regard to the expense necessary for my participation as above.

As I should like to have your views on the above matter, I shall be pleased if you will kindly give me the opportunity of meeting you by next Thursday or Friday, 26th or 27th December, at Nicosia, where I shall be on the above dates in order to take part at the Games.

Expecting that you will be kind enough as to allow me an interview as above and apologizing for the trouble I am giving you,

I beg to remain,

Yours respectfully,
