Dear Sir,

We thank you for your letter of the 19th.
July from London, enclosing a remittance of £1.9.7.
in payment of your account which we return receipted.

We are much obliged to you for remembering
to remit us this amount on the first occasion it
was possible for you to do so.

The writer had the pleasure of seeing you
at the White City on Saturday, and he also saw you
in 1935, and would like to congratulate you on your
excellent performance on Saturday in beating the
1935 winner. It was a misfortune for you that
this year although beating the 1935 winner you met
such an extraordinary competitor as Robertson.

Trusting you will be over on the next oc-
casion and be successful in winning the Marathon,

We are,
Yours faithfully,

ELLIMAN, SONS & Co., LTD.
