April 11, 1938 -

Dear Mr. Kyriakides,

Many, many thanks for  
the splendid broadcast of Saturday morning.

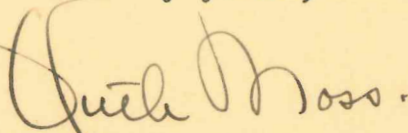

It was grand, and so  
interesting, - and we have already had many  
pleased comments from our listeners, who  
also wish you good luck during the race on  
the 19th of April.

Bye the way, - have you  
a photo of yourself, - perhaps one in action, -  
perhaps one taken during your training here,  
by the newspapers, or something? At anyrate,  
if you can find an extra photo, - will you  
autograph it, and let me have it for my  
interview collection? I'd treasure it highly!

Thanks again for your  
splendid co-operation on the air, -we all  
thoroughly enjoyed having you here.

And good luck.

Sincerely yours,

RUTH MOSS.  
WAAB-WNAC.
