Dear hero: thanks for your letter, and I am also writing to the Ministry of Education of Athens, as per your suggestion. I can imagine that Greece gave you a royal welcome, and they must be very proud of you.

The music-drama I wish to submit is called: "Heracles" (Hercules), and is finished as to book, lyrics, and all melodies, but it must be arranged and orchestrated before it can be produced. I wish that the Ministry could get some fine
