

Dear Stanley:

Two radio stations here in Boston and some of our newspaper sportswriters have asked about interviews.

If you would like me to arrange these things for you systematically and to best advantage, please let me know at once.

1st: Give me the time of departure or arrival next Friday, so I can notify them to come together.

2nd: Give me the days or routine of your road-work, so that those wishing to see you may do so on days you will not be running; and state whether you will run in the morning or in the afternoon.

3rd: There is a 10-mile Run scheduled for Saturday, March 29, (not the same one as last year) here in Boston. Do you think you would like to enter? If so let me know so that I can give it to the newspapers.

Best, as usual, from the entire family,

Yours,

*George*
