Mr. Stelios Kyriakides
Drosopoulos Sq.
Filothey
Athens, Greece

My dear Friend:

Upon my return from abroad, I find your Christmas greetings. Both you and your family are very nice to think of me and it makes me very happy to think I am still remembered in Athens.

Do you plan to come to Boston for the marathon again this year? Please let me hear from you as I want to help you in every way possible.

Yours cordially,

W Frary

William T. Frary
