Dear Mr. Kyriakidis,

It was our great pleasure that you and your Committee have completed the 27th Balkan Games impeccably, and let us express our sincere congratulations on the great success of the historic Games through your utmost efforts.

We are most pleased to have had the honour of timing officially the 27th Balkan Games and would like to express our supreme pleasure that we could carry through the great task.

This result of timing, we believe, could not have been obtained without your kind and consistent cooperation.

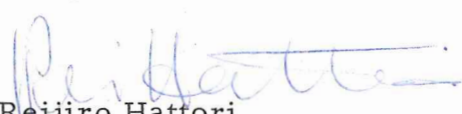

We also believe that the European Athletic Championships in 1969 will be best organized and administered by your well experienced staffs.

We highly appreciate your kindness and hope this mutual understanding of ours will develop into lasting friendship.

With best wishes,

Sincerely yours,
