YOUR ATTENTION IS DRAWN, in particular, to the two pages concerning the Rules and Regulations governing the ICMR. They answer many questions we have received so far, but should they fail to answer any specific question you may have, please feel free to write and ask us. Please note, also, that, through this Bulletin, you will be informed of any changes (should such be decided) in the Rules, any amendments or additions etc. IF YOU FEEL YOU NEED MORE COPIES, please don't hesitate to say so... we'll do our very best to supply them.

THE ASSOCIATION (SEGAS) decided to endow the ICMR with a concurrent athletic meeting - but this meeting will not be exclusively devoted to the sport of track and field. It will include folkdancing, revival of ancient sport processions and probably one or two other similar activities in addition to a selected number of events. We shall keep you informed of the precise program which spectators may enjoy while waiting for the arrival of the winner of the Vith ICMR.

We have been authorised to disclose one of the official's name who is very active in the preparation of the Vith ICMR - to Marathon enthusiasts his name will bring back memories of past days: STELIOS KYRIAKIDES, who distinguished himself in the 1936 Berlin Olympic Marathon Race and won the 1946 Boston International Marathon is right in the organisational thick of it and sends a hearty and personal greeting to all his many friends throughout the world via our Bulletin.

With best sportive greetings,

THE ORGANIZING COMMITTEE
