

anyone else.

The one thing I would like most in my life is to travel. I would like very much to see the world.

I just had some pictures taken of myself. I do not as yet have them. As soon as I receive them I will send you one. It will probably be in my next letter.

I will now close. Hoping to hear from you soon.

Your friend
Culalia

P.S. Your picture is
sweet. I think
you are even so much.

I like my job very much.

I also love nature. I love to walk in the woods and admire nature, especially in Autumn when the leaves change color.

I have never taken any language in school. I know no other language but English. I think your English is very good.

Do you dance? I love to dance. I also like to swim, skate, and bowl. I like all outdoor sports. At the present time we are having a football season. Lebanon High does not have a very good team.

I was quite disappointed when I did not hear from your friend, so I did not bother to write to
