

I love you ... did you not understand that?

You said I understood that from a long time
You never told me I love you

Oh: I don't know how many times I told
these words but you did not hear it

Kiss me ... I love you I loved every day
but ~~only for once~~ ^{only for once} I gave my heart
to you. only once

I understand you.

Said Tell me that we will be always
together. I want to sweat me that

I sweat

yes you sweat but will be held his
