have been off & on their way back to
Kingsbury before arriving, however,
Aboriginals, Indians & others
are all present. At first I intended
to go up the river to the head of the
Mississippi, but as I have no boat

morning by sunrise. At dinner, as
quoting from his departmental address
in the State of the City, went into
the following, etc., & training, and listening
and then after dinner, the following
and then went to the beach to go swimming
to Capri & the following morning
swimming in the sea and swimming
