STUDIES AT CYPRUS

Books Received
 The British Museum Library has received from the Cyprus Exploration Committee a copy of the Cyprus Exploration Report, 1878-79, by Mr. J. H. Murray, F.R.S., and Mr. G. H. Fisher, F.R.S. The report contains a full account of the excavations at Salamis, and is illustrated by Mr. Murray's pen and pencil. It is a most valuable contribution to the knowledge of the history and antiquities of Cyprus, and is highly recommended to all those who are interested in the subject.
