HOISTING THE BRITISH STANDARD AT NICOSIA

THE OCCUPATION OF CYPRUS

The British Standard was hoisted at Nicosia, the capital of Cyprus, on August 10, 1878, in the presence of the British and Turkish authorities.

The ceremony was attended by a large number of British and Turkish officials, and the flag was hoisted with great pomp and circumstance.

The hoisting of the British Standard at Nicosia marked the beginning of the British occupation of Cyprus, which was then a British protectorate.
