Dear Mr Kykkotis,

I have just found time to read the copy of 'Bloody But Unbowed' you so kindly gave me. It is exactly what we needed - clear, succinct & wholly convincing. I very much hope that the League For Democracy in Greece & others will see that it is widely circulated.

My best wishes

Stanley Evans.

Thanks more than I can say. Here is
Aeneid II with some good Greek items wd.
The Anon Poem (I know the poet's name,
but cannot mention it) is I think
magnificent - Your book is most
valuable. I hope to do something
also which helps Oxley's book Jack C.

Dear Mr Jowndes,

I am very grateful to you for sending me a
copy of your book. I read it with interest and appreciation -
Be very certain that, in the end, good democracy will
trump.

With good wishes,

Yours very truly,
