Phase I: Early eBooks

1971
2011

History of E-books

1971 Michael S. Hart launches Project Gutenberg and digitizes the United States Declaration of Independence, which becomes the first e-book in the world.

This year the first e-mail is sent between two host computers.

Number of Books Digitized by Project Gutenberg

1985 The Voyager Company, a pioneer in CD-ROM production, is founded. Among published works there are also "expanded books", including *Jurassic Park* by Michael Crichton and *Virtual Light* by William Gibson.

Commodore launches the Amiga personal computer.

1993 Digital Book, Inc. offers the first 50 digital books in floppy disk with Digital Book Format (DBF).

Hugo Award for Best Novel nominee texts published on CD-ROM by Brad Templeton.

Mosaic, the first graphical web browser, is released.

1998 First dedicated e-book readers are released: Rocket Ebook and SoftBook.

Kim Blagg obtains the first ISBN issued to an e-book and begins to promote multimedia-enhanced e-books on CDs.

Google, Inc. is founded by Larry Page and Sergey Brin.

2000 Stephen King offers his novella *Riding the Bullet* in digital file; it can only be read on a computer. During the first 24 hours, over 400,000 copies of a book are downloaded.

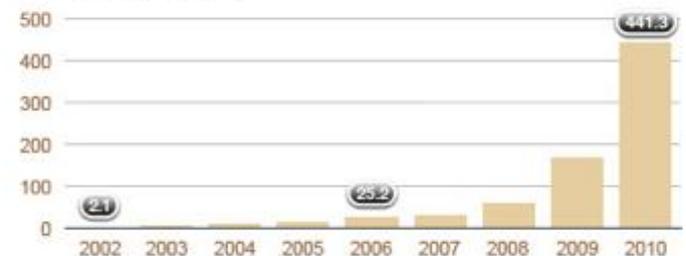

The first Blu-ray Disc prototypes are unveiled.

2002 Random House and HarperCollins start to sell digital versions of their publications.

The dot-com bubble bear market reaches bottom.

US Trade Wholesale E-book Sales 2002-2010

in millions of US dollars

2005 Bookboon.com is launched, allowing people to download free textbooks and travel guide e-books.

Phase II: First eReaders: 1998

Phase III: Libraries Get Involved

Phase IV: eInk Technology

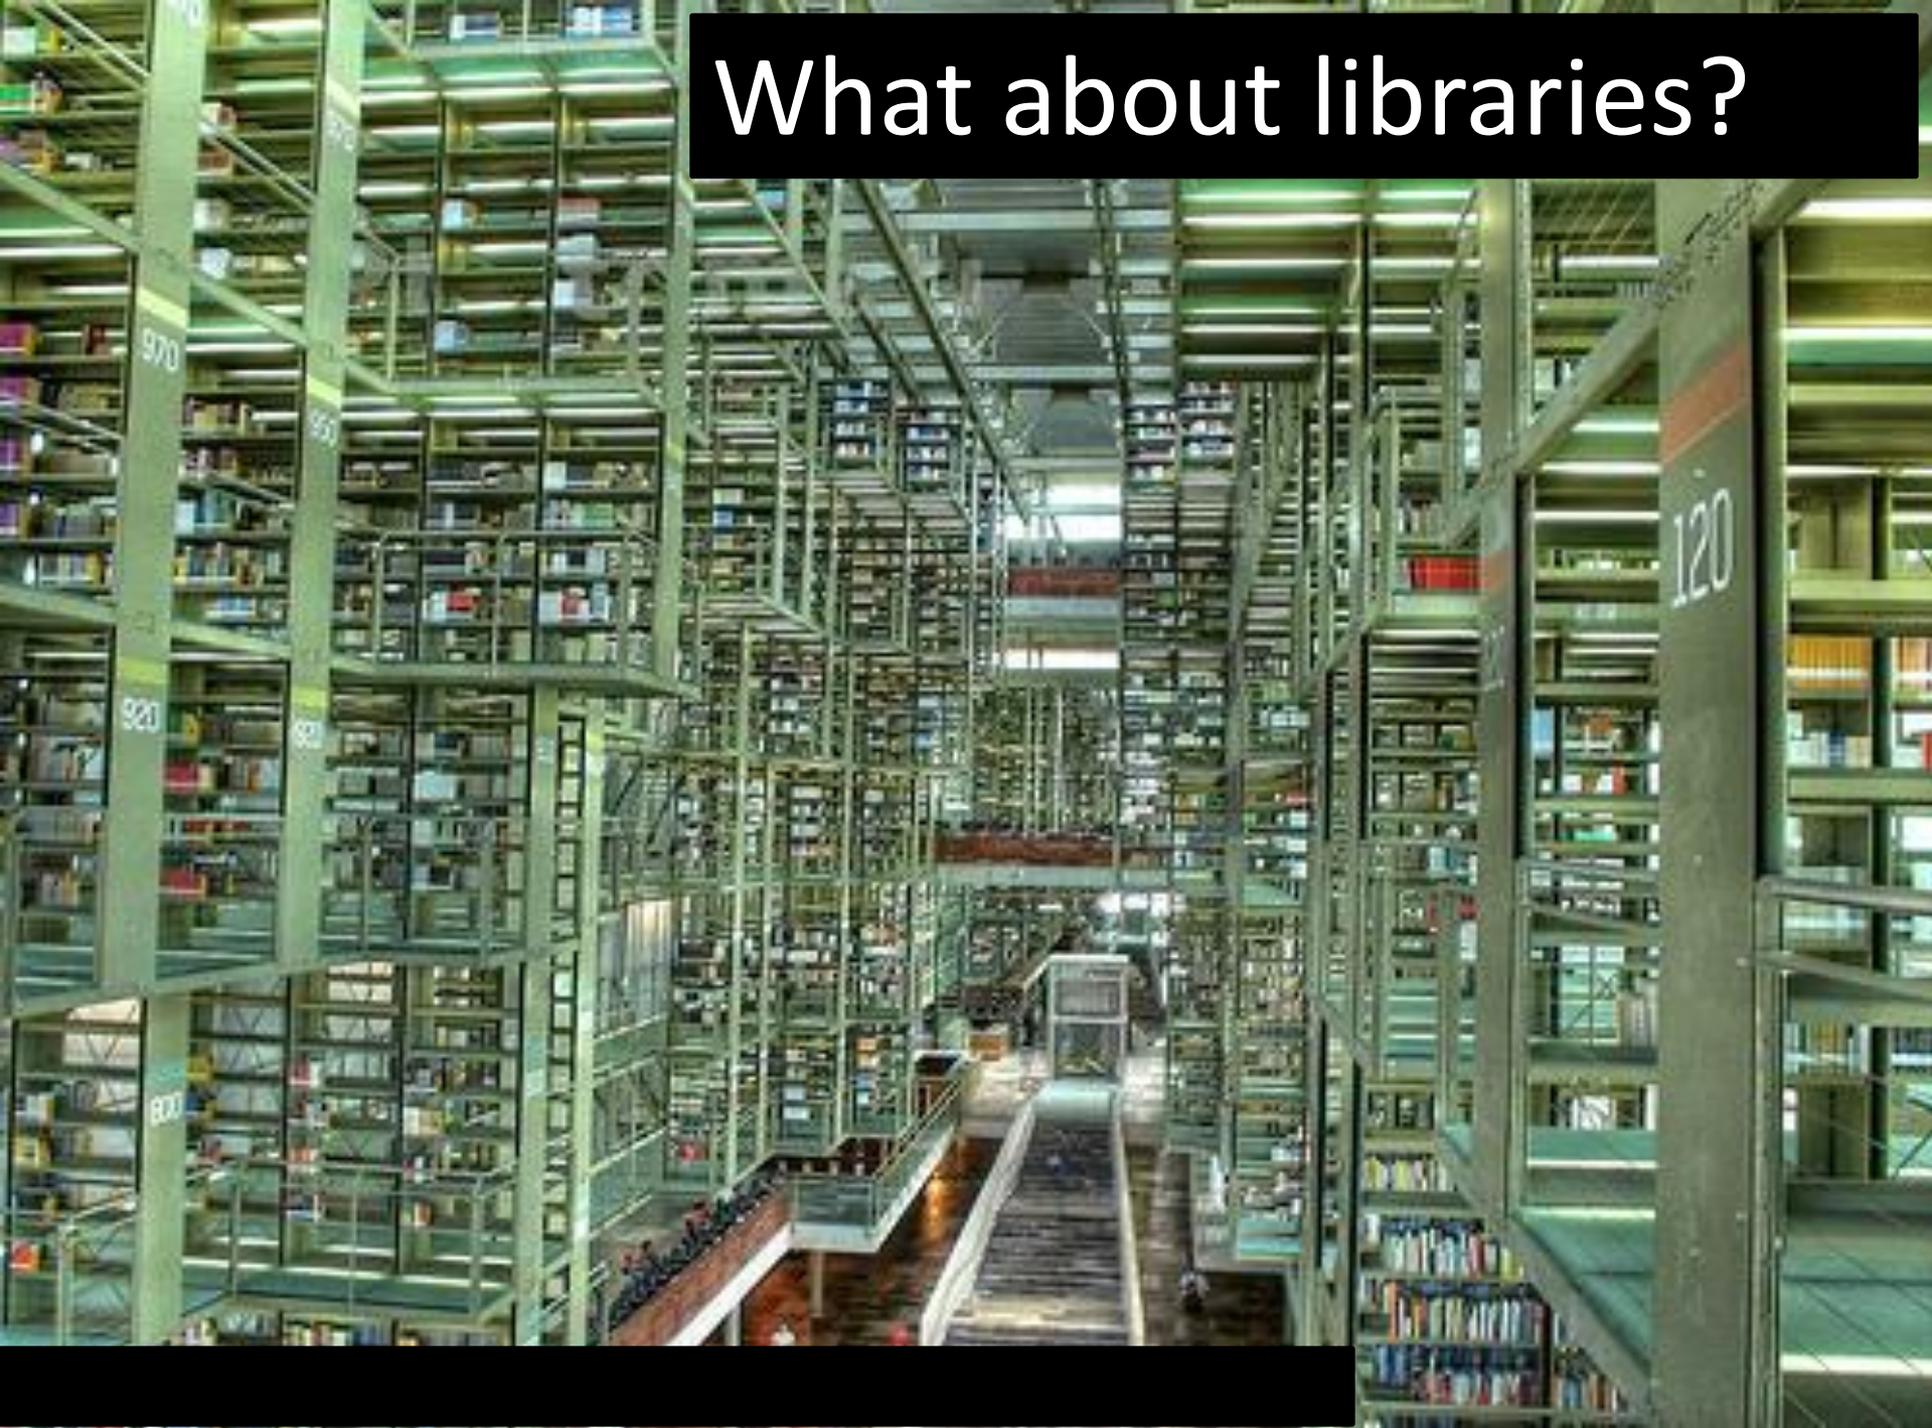

Are we at the eBook Tipping Point?

What about libraries?

Types of eBooks in Libraries

Downloadable

- Checkout readers
- Download/checkout to personal device
- Popular titles, best-sellers
- Ebooks/audiobooks
- One user at a time

View Only

- Online eBooks
- Requires a browser and Internet connection - web-based
- No offline reading
- Multiple users
- Academic titles, reference

eBook Sources for Libraries

EBL

OverDrive

DRM

Issues for Libraries | DRM

The EPUB standard

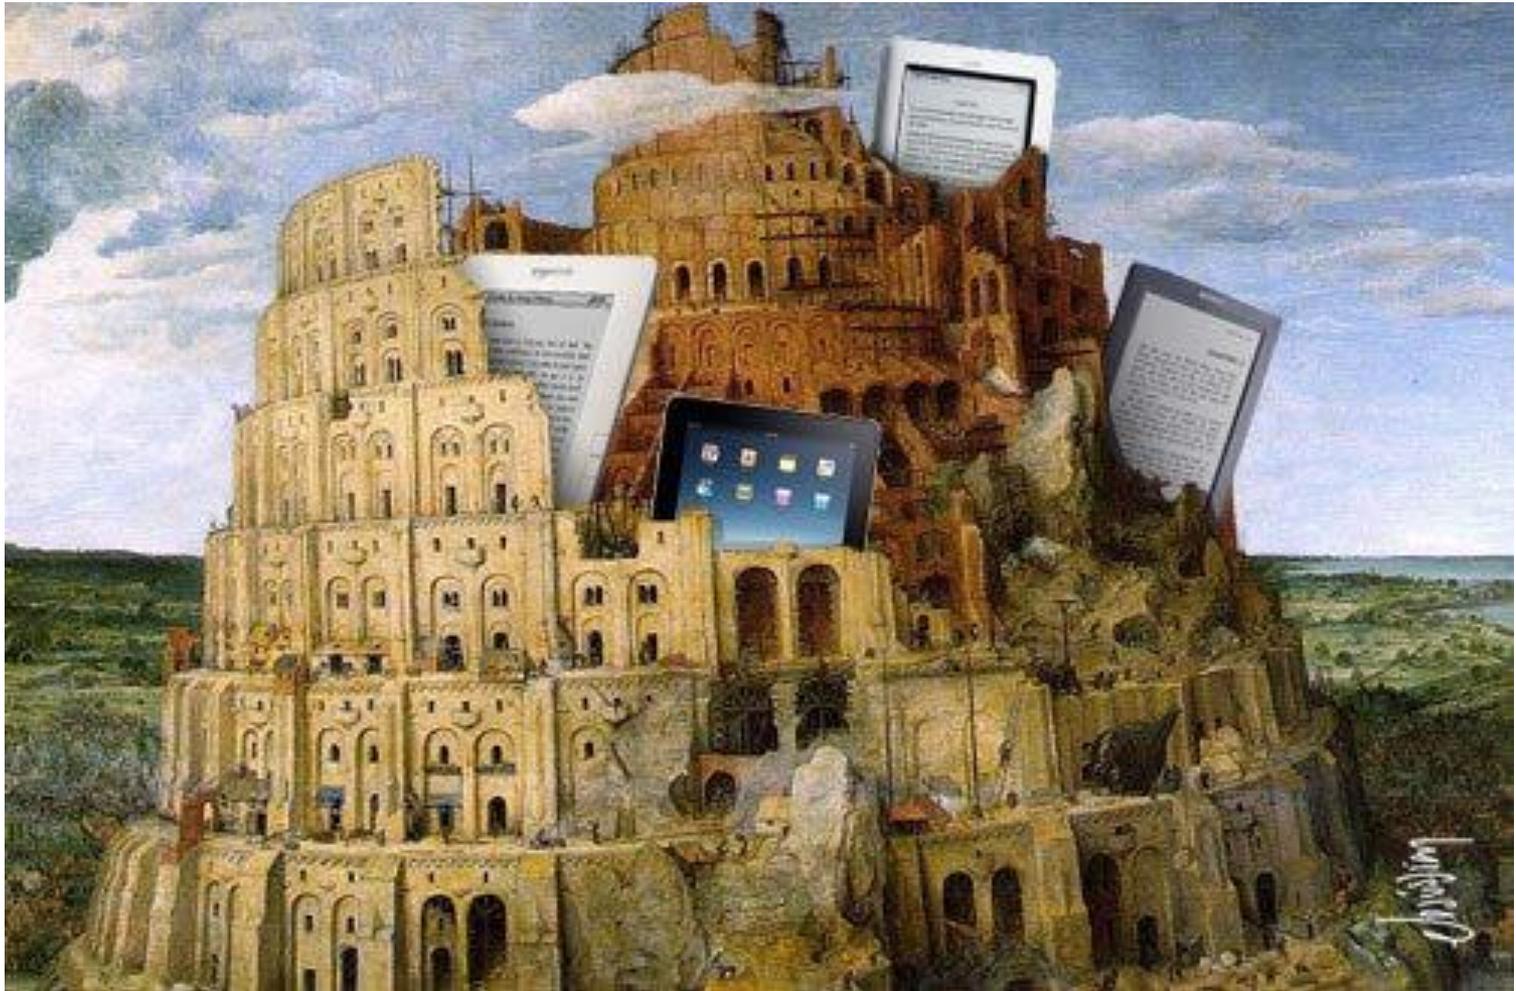

ePUB

- Adopted in 2007
- International Digital Publishing Forum
- Not used consistently
- Sony and iPad adopted EPUB as standard
- DRM can still be added

- www.idpf.org

Additional Questions to Consider

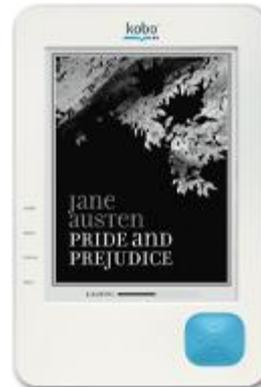

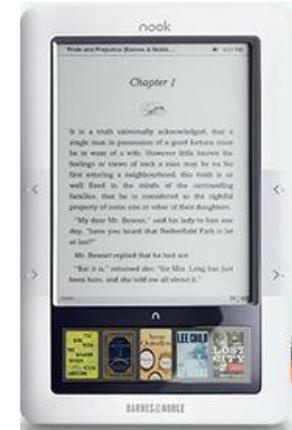

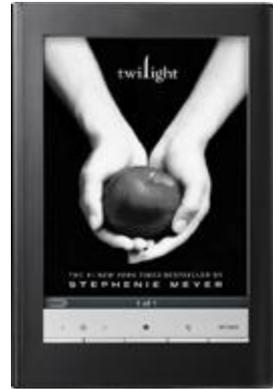

Cataloging and Legal Deposit of eBooks

- Many vendors will provide MARC records for downloading to your ILS
- eBooks should be integrated into the library's broader collections - see what the University of Pennsylvania has done.
- In the U.S., books in electronic format are submitted to the Electronic Copyright Office for registration and Library of Congress deposit system.

Modern Devices

- Over 50
- Dedicated
- Web-based
- Tablets/multi-functional
- Applications for handheld devices

Kindle Development

The All-New Kindle Family

Kindle
\$79

Kindle Touch
\$99

&

Kindle Fire
\$199

How the Tablet Killed the eReader

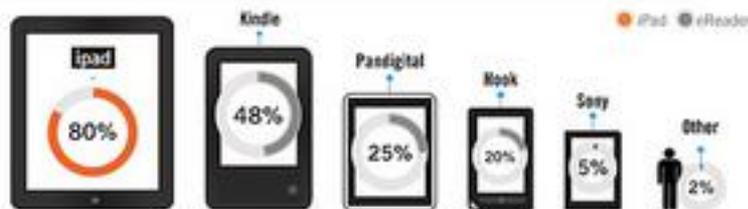

eReaders will race to become more like tablets, while trying to retain their bibliophile base.

Tablets are growing much faster than eReaders.

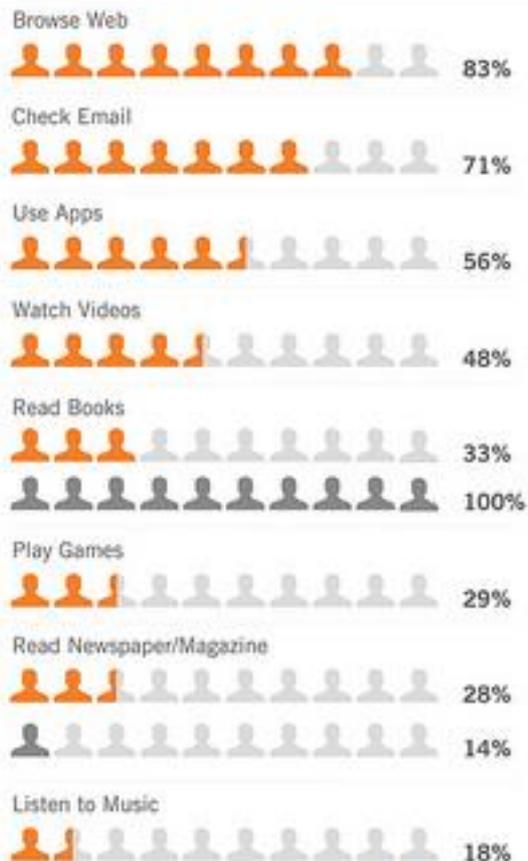

(In millions of units shipped) iPad eReader

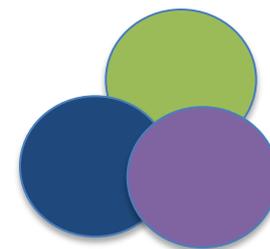

Tablet/eReader Market Share

What do you do with your tablet/eReader?

eReader Program Options

- In library viewing “petting zoo”
- Check-out, 2 hour reserve
- Loan reader with content
- Offer downloadable content for checkout

eBooks Offer Libraries Opportunities

- To be on the forefront of innovative ideas
- To integrate print with electronic resources
- To collaborate with other libraries on a new level
- To educate the public on new technology
- To use freed-up space for programs and collaborative projects
- To offer a service for those who cannot afford it
- To give people an option to try devices before they buy them

Challenges of eBooks

- Legal Issues - digital rights management
- Libraries must be advocates for reasonable copyright restrictions
- Deeper collaboration with publishers needed
- Expensive
- Digital divide
- Rapidly changing environment
- Multiple devices, multiple formats
- Separate purchasing plan needed
- Staff training

Library Journal's 2011 eBook Survey Results

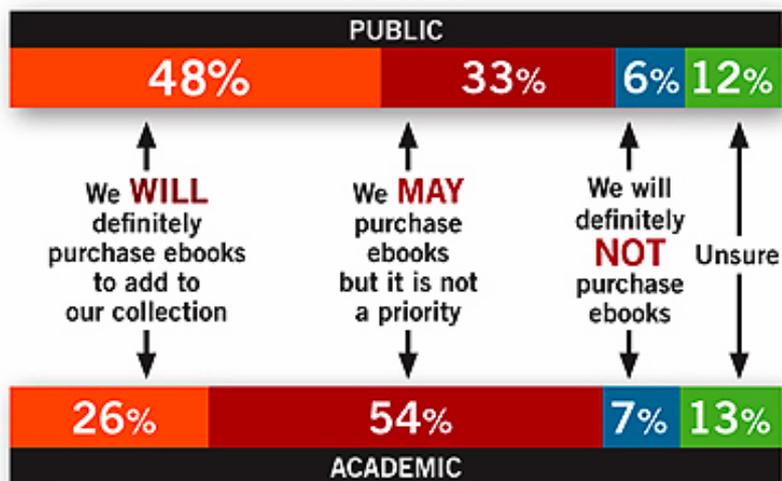

Libraries offering ebooks

	2010	2011	
Public	72%	82%	10% INCREASE
Academic	94%	95%	1% INCREASE

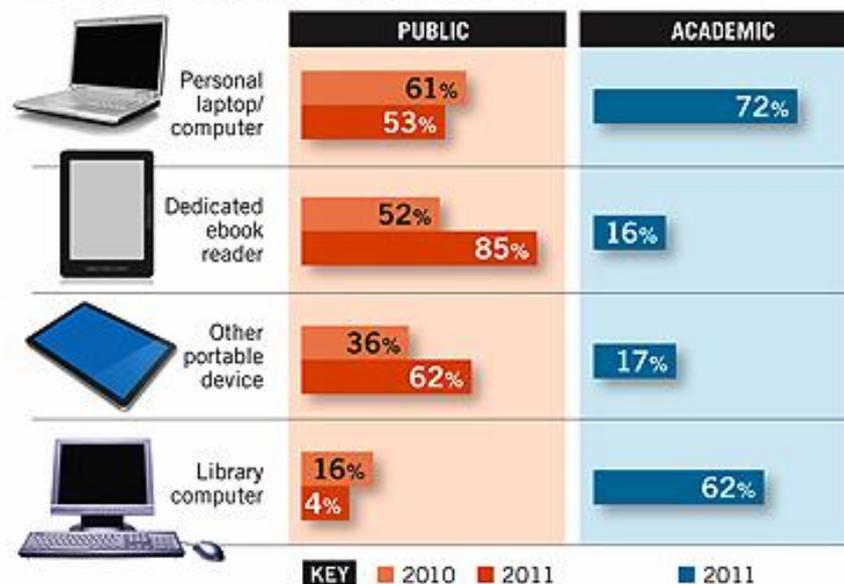

Average number of ebooks available

	2010	2011	
Public	1,529	4,350	184% INCREASE
Academic	33,830	65,208	93% INCREASE

 If not currently offering ebooks, do you plan to in the next two years?

Devices ebooks are read on

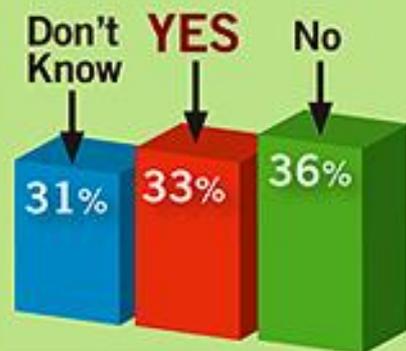

Have ebooks brought new users to the library?

PUBLIC

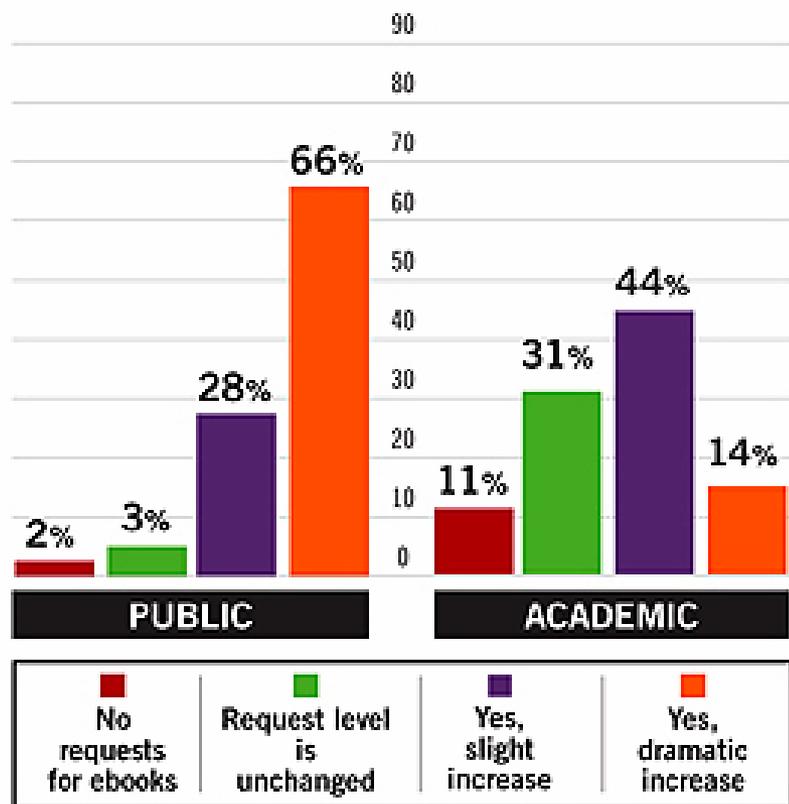

ACADEMIC

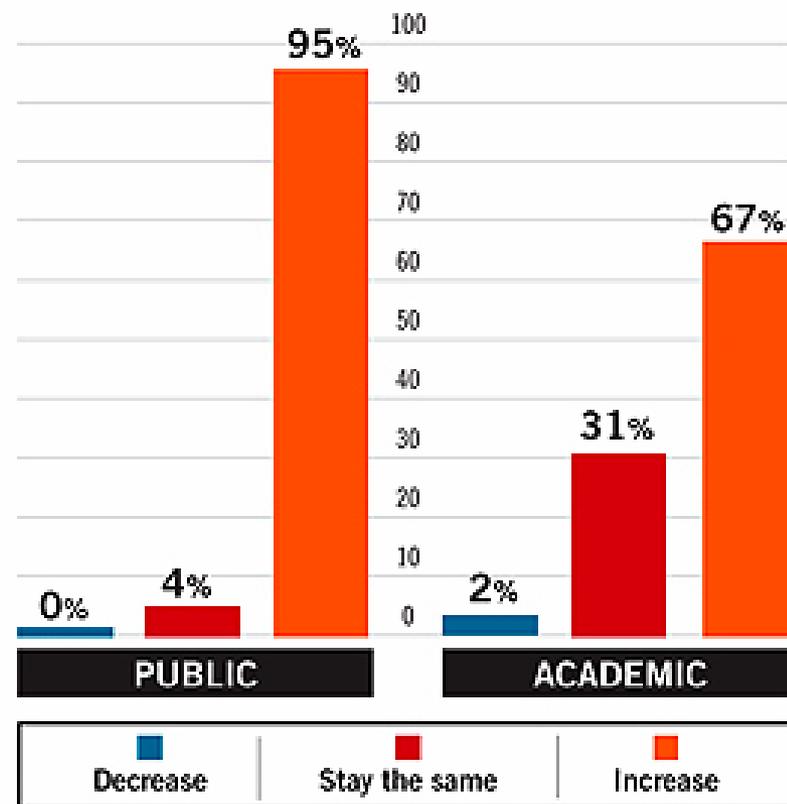

Why not offer ebooks?

	PUBLIC	ACADEMIC
Lack of ereading devices	16%	50%
No money for ebooks	54%	33%
Waiting to see what the best platform will be	40%	35%
No demand	10%	33%
Lack of technical support	12%	30%
Don't understand logistics of ebooks	8%	17%
Other	7%	25%

Did you experience an increase in ebook requests from users?

What do you expect to happen with this year's ebook circulation?
