

B.A.A. MARATHON HOTSHOTS who will be among the runners to watch in the 51st running of the annual grind from Hopkinton to Boston tomorrow. At the top (left to right) are Lloyd Evans of Canada, Johnny "Jock" Semple, B.A.A. team captain, and course record-holder Joe Smith of Medford, who will attempt a comeback. The smiling insert is none other than three-time winner Gerry Cote, who has been something of a mystery man this year. The gentleman on the bottom (left) needs no introduction, for he is the 58-year-old Clarence DeMar. And at the right is Athanasios Ragazos, the Greek traveling companion of last year's winner Stylianos Kyriakides.
