Dear Sir,

In reply to your letter of the 12th April, I
have pleasure in enclosing an entry form for the A.A.A.
Championships this Summer, and this, I think will give all
the information for which you ask.

Should you contemplate coming to England to reside,
I do not think that you can do better than join the Polytechnic
Harriers, the name and address of whose Secretary, are:-

G.F. Dickson, Esq.,
309, Regent Street,
W.1.

In reply to the last paragraph of your letter, I
am afraid that it is quite impossible for the International
Board or any British Club to afford you any financial assistance.
All athletes from overseas are obliged to pay their own ex-
penses in connection with the A.A.A. Championships. It is
only in the event of their being selected to represent Great
Britain that the International Board or the British Olympic
Association is able to bear the expenses of participation in
the representative Matches for which they are selected.

Yours faithfully,

D. G. A. Lowe

Honorary Secretary.
