

3rd July 1946.

L. C. Kemp, Esq.,
The Managing Director,
The Athens Piraeus Electricity Co., Ltd.,
4, Korai Street,
Athens.

Dear Sir,

I wish to thank you, as well as the Administration and Staff, for the cable which I received whilst in America.

I was profoundly affected by the message it contained, and shall always remember that it was your generous action in making my trip to America possible that enabled me to win the race. I am very proud indeed to have justified your confidence in me.

Yours very respectfully,
