Dear Mr. Kyriakidis:

Mr. John Pappas has informed us that you have accepted his invitation to be the guest of the Ahepa on the occasion of their banquet on May 3 at the Hotel Statler, Boston, for the benefit of the Ahepa Hospital for Greece.

We want to take this opportunity to confirm the invitation and also your acceptance, and to tell you how happy we are that you will be with us on that evening. The citizens of Hellenic descent who will attend the banquet will be very happy to have the opportunity of meeting you, and we are looking forward with pleasure to having you as our guest.

As Mr. Pappas informed you, we are expecting you to be one of our principle speakers of the evening, and we know you will enthuse all those who will be gathered there.

With our very best wishes, we are,

Sincerely yours,

Dear Sir:

A short time ago we wrote you regarding the Ahepa Hospital Banquet to be held at the Hotel Statler, Boston, on Friday evening, May 3, 1946 at 7 p.m.

This will be the outstanding event of New England in years, not only for its impressive program but also for the effect it will have on our brethren in Greece--the fact that we want to help them in their time of need, the fact that we are going to give to them a hospital fully equipped to help heal the wounded and nurse the sick who suffer from the effects of war and barbarian occupations.

There is no doubt that the hospital is needed. There is no doubt that we want to build this hospital and give it to them. There is no doubt that we can do it, but only with the help and cooperation of our Hellenic descendants of America. It is not too much to ask--we have so much where they have so little.

Among the guests at the banquet will be Governor Maurice J. Tobin, who will be initiated that evening into the Order of Ahepa.

Stylianos Kyriakides, who came all the way from Greece to win the Marathon here in Boston will be our special guest of the evening and will give us a detailed account of conditions in our Motherland.

The time for reservations has been extended to Wednesday, May 1. If you received tickets and have not already done so, we would appreciate your sending in your reservations immediately. Additional reservations may be secured by calling Bowdoin 6595. The evening will be well worth your time and effort.

Sincerely,

Michael J. Vrotsos, Chairman
