Mr. Stylianos Kyriakides,  
Kechagia 9,  
Athens.  
Greece

Dear Sir,

With regard to the needles of which you let us have a sample we may tell you that we have been in touch with the suppliers and have got the following reply:

"Referring to the phones with you we hereby return  
"the sample of the desired needle and are sorry to  
"say that such needles are out of stock and there-  
"fore we cannot execute your order.  
"It is our intention to commande such needles, but  
"during the circumstances one cannot count upon de-  
"livery until some time during the last half of the  
"next year.  
"We should prefer your Greek friends to address them-  
"selves to our representatives, viz. Monsieur Nondas  
Gaveras, B.P. 264, Athens. At present he has no  
"needles. He has ordered the needles in question from  
"us but owing to the present prohibition to export, we  
"should not have any possibility to execute his commande,  
"even if we should have the needles in stock.

You ought to understand from the above said that at present it is quite impossible to secure the needles you need. Furthermore we can tell you that we have understood that they are not manufactured here in Sweden, but we are buying them from America.

Yours faithfully,  
THEODORIDIS & CO AB
