

AMATEUR ATHLETIC ASSOCIATION OF GREECE

No. 342

Athens, 30th April, 1921.

L.C. Kemp, Esq.,
Manager,
Athens Piraeus Electricity Company,
Athens.

Dear Sir,

We deem it incumbent upon us to express to you the infinite gratitude of the Greek Sporting World for the opportunity you have afforded it to distinguish itself so splendidly through its athlete Styl. Kyriakides, your employee, in the 25th Marathon Race of Boston, U.S.A.

Your generous donation of five million drachmas to the A.A.A. rendered St. Kyriakides' participation in that event possible and enabled him, after proper training, to add to his already splendid career, his fine success at Boston, a success which will be of such moral help to our Country and to Greek athletics generally.

In these difficult days of the reorganisation of Greek athletics your contribution is very encouraging and we hope it will set an example to be followed so that the Greek Colours may regain the enviable position they held before the War.

With the reiteration of our infinite gratitude, we have the honour to be, Sir,

Yours truly,

(signed) Ap. Nicolaides, President,
D.N. Xirouchakis, Gen. Secr.
