Mr. Stelios Kyriakides
Athen's Piraeus Electric Company
Street Korai #4
Athens, Greece

Dear Stelios:

I thank you very much for your kind Christmas and New Year's wishes, and I too wish you a very happy New Year and let us hope that new victories will crown you this year.

With reference to your refrigerator, I am very glad to advise you that it will be shipped in the next few days. Today I paid \$170.53 covering the cost of the Refrigerator, the freight and its insurance. This amount might change slightly in the event the freight is more than \$25.00, when we finally get it.

Mr. Aslanides has been good enough not to collect any commission on your Refrigerator and I am sure you appreciate it very much. Kindly advise me what you want me to do with the balance of your money that I am still holding.

With my best personal regards to you and to your family and to all our friends, I remain

Very truly yours,

WESTINGHOUSE ELECTRIC INTERNATIONAL COMPANY
