Colonial Secretary,
Passport Department,
Nicosia

Dear Sir,

I am holder of Passport No. C.233174 issued by H.M. Consul General at Athens on 15-3-45. As there are no pages for visas etc., I must obtain a new passport for myself and another for my wife. I was born in Statos, Paphos, Cyprus on 15th January 1910. My wife Iphigenia, maiden name Katsarellou, was born in Athens, Greece, in 1920.

I therefore request you to be good enough to authorise the British Embassy, Consular Service, Athens, to issue two separate passports at the earliest possible date as we intend to travel in the course of next month.

Thanking you in anticipation, I have the honour to be,

Your obedient servant,

SKY.
