Dear Stylianos,

Thanks so much for your Christmas card. My wife and Walter Braun said it was very good of you.

I have looked all over for your address, but I have moved it. Lots of my letters and papers were lost. We now live near the Minerva Hotel where you stayed, but I still work as trainer for the Celtics.

I know you will like to read about the marathon that you won, ten years ago. Gosh - the years sure go fast.

Have you picture of your wife and family - would like to have one - just a little snap shot, and be sure send me your address.

Will be looking for a letter from you - telling me some news about your self, and dear family - with best of luck to you all - I am

Your sincere friend,
Barney Kohn
