Spaige Ippifua. I just want you to see how clever boy I am without to go to school or anything I can read and write better than a New Zealander. All my girlfriends here they was surprise when I was for holidays up Wellington. I used to say that I couldn't write so when I wrote to them and sincerely they didn't believe me. I ~~my dear~~ have a beautiful time my dear. The best enjoyment from the lot is dancing. You can't imagine how nice it is for

somebody to dance.
Beautiful girls around
good to take out for a while
but unfortunately no good
for marriage. I thing is
awful they look so nice
they kiss so nice and
they are common. You can
make them love. tell them
~~no~~ that you love them
and they will tell you
that they love you too
and the next day you
will see them around with
somebody else and they
will not know you. That's
why the most of the people
here they getting divorce
after the first month of
their marriage. That's
why a lot of creeps they
getting in trouble so easy.

Because as I notice over
in our place you frightened
to say good morning to
a girl or to take a girl to
the pictures and if you
do everybody will speak
about you. Here is different
if you haven't got a girl
to go out and enjoy
yourself they will tell you
that your to slow. The
most of the greek. though
they missanderstand this
that when they take a girl
out they have to be care
ful and his paper and
the law here is to marry
the girl or you have
to pay for the boy \$1-10
a week till he will be
21. I am very carefull
for that and hope that

I will get out out of it
till I get married.
That's about the girls
and the boys.

We have a beauti-
ful weather here we
go for swimming every
day usually and
we have a lot of fun
At I ~~but~~ can imagine
that you been having
good time over in Cyprus
but not good enough
as if I was there too. You
complaint a lot about
the delay of my letters
I do by best to keep
writing to every body
and if you complaint
again like that with
that rude way of yours
to your uncle I don't

now what I will do
to you. And don't get
excited about my photo
because you will get
one one of these days and
you will be surprised.
I don't want you to
tell me how good you
are in school because
I remember when you
~~used~~ ^{you} to go with me to school
and I can say that anything
you want to be a success
for, it will be. Nothing
else and you will have
more news from me before
Christmas.

Everybody body
sent his kisses to you
also me

your uncle

Andrew
